mesoestetic®

Mesoestetic The company has been committed to the development and marketing of top-quality products right from the start, with scientifically proven results. Their progress is linked to ongoing research and collaboration with hospitals, universities and experienced specialists from the sector as the company works closely with these to research and develop new treatments.

ZO® SKIN HEALTH

ZO Skin Health's philosophy is to create & maintain healthy skin for life – for all skin types. The products are formulated & developed to do just that. Guided by Dr. Zein Obagi, a practicing dermatologist, the products are formulated to provide clients with visible results in as little as 4 weeks. The dynamic bond between science and skin health is the essence of ZO skincare. The comprehensive and continuous work in skin health solutions utilise the best of what science has to offer to improve the skin's natural functions that prevent or resolve many disorders.

HELIOCARE

Heliocare Sun protection should be an essential part of any daily skincare regime and you can't get any better than Heliocare. Internationally recommended by Dermatologists, Heliocare provides a high factor, broad spectrum sun protection that is light textured enough to wear everyday, with options available for all skin type.

Alumier^{MD}

AlumierMD skincare is renowned for its cutting-edge formulations and clinically proven results. Rooted in science and innovation, AlumierMD offers a comprehensive range of skincare products designed to address various skin concerns, from acne to ageing. Their expertly crafted formulations utilise potent ingredients such as retinol, antioxidants, and peptides, meticulously formulated to deliver visible improvements in skin health and appearance. With a commitment to quality and efficacy, AlumierMD skincare stands as a trusted choice for those seeking professional-grade solutions for their skincare needs.

EXO | E™

Exosomes represent a comprehensive array of active plant-based secretory factors, embodying the forefront of bio-based patented technology in contemporary skincare. Patients acclaim its ability to minimise downtime and amplify aesthetic outcomes. The EXO | E COMPLEX SYSTEM serves as a versatile adjunct to existing treatments. They work to mitigate inflammation, minimise downtime, and elevate results. Alternatively, EXO | E can be administered at home as part of a daily skincare regime or in conjunction with micro-needling for added efficacy.
